COMMENTS:

RE: Ser. No. 10/733,555

The two items circled were incorrectly charged.

The original patent application contained 29 claims. An Amendment was filed on July 23, 2005, wherein the claims remaining were a total 24 claims with only 2 independent claims. With the filing of the original patent application we had previously paid for a total of 29 claims and 3 independent claims and should not now be charged again.
